Discover the new clip “Losing My Mind” from Tanis

Interviewer: **Vincent Kheng** - Date: 4 March 2016

Child of the world, Tanis grew up in 6 different countries and speaks multiple languages including French, English and Chinese! The young woman seduced the public with her single “Ce N’est Pas Moi” (Its Not Me), and today she’s released “Losing My Mind”. A song, dedicated to the planet and the environment, extracted from her first EP *Blackout*, which will come out this spring.

“Our planet is sick, and soon the damage we’ve done will be irreparable, but we can still save it, now is the time to act!”

Tanis is a talented artist, beautiful but also mysterious, who writes and composes her own songs. “Losing My Mind” highlights her unique and moving voice.
